Prevía is changing its name to Falck: Here is what this means for you as an orderer

Prevía has been part of the Falck Group since 2014. The company is now taking the big step of changing its name and brand to Falck in January 2023. All of the services that we have contracted from Previa will continue after the name change and in the same form that they take today, however Previa's current legal name, website and email addresses will all change as of 18 January 2023. Below is all the information about what will change.

Changes as of 18 January 2023:

Company name:

AB Previa's legal name will change to Falck Sverige AB.

Website and ordering of services:

As of 18 January 2023, the new website for occupational healthcare customers will be kund.falcksverige.se. The overall website for all of Falck's business operations in Sweden will be falcksverige.se.

Orders will still be made in the same way as they are today after the brand change. The only difference is that from 18 January 2023 onwards, they will be made via kund.falcksverige.se.

For one year from the website change, visitors to the old website (previa.se) will be automatically redirected.

Customer service:

By telephone: No change, the number will remain 0771-23 00 00.

Online: The new web address for contacting customer service online will be kund.falcksverige.se/kontakt. For one year from the website change, visitors to the old website (previa.se) will be automatically redirected.

Email addresses:

@previa.se will change to @falcksverige.se

For one year following the website change, any emails sent to an old address will be forwarded on to the new one.

Invoicing:

As AB Previa will be changing its legal name to Falck Sverige AB, invoices which are issued after the name change will be addressed from:

Falck Sverige AB
Box 6047
102 31 Stockholm
Bankgiro: 5091-0819

Following the name change, AB Previa will continue to be its own company within the Falck Group and it will retain the same company registration number that it has today: 556235-1907.
